All Children must be previously baptized. Certified copies of the baptismal certificate must be obtained by you and submitted to the Parish Office – Mary Bringham, prior to start of program.

There is a \$25.00 fee which is used to cover the cost of materials and texts. We do our best to keep the costs of the program minimal and to pass on as little as possible of the real cost of the program. Please make checks payable to Basilica of the Immaculate Conception or you can pay online. Also, please note if paid by check: The Bank charges us for returned checks, so we will have to pass that on to you in the unfortunate event of NSF.

If form is filled out and submitted online, please remit payment to the office by mail, in person or in an envelope marked PREP and placed in the collection basket at Mass.
